

# CUSTOM TILES

*We can transfer any photo, artwork, design or image onto ceramic or glass tile. This process is not a decal. It is a continuous tone photographic image process that actually becomes part of the tile.*

*We can even print murals with one image on multiple tiles of almost any size.*

*Create your own unique custom tile, we can put your photos or art on various size tiles to fit your needs.*

*They are great gifts or just to decorate your home.*

*Are you an artist?  
We can put your artwork on tiles to decorate your own home or to resale.*
